**ACCOUNT DISCLOSURES**

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. Rate Information.** The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Share, Christmas Club, IRA and Money Market Share accounts, the Dividend Rate and Annual Percentage Yield and effective dates are subject to change without notification at the discretion of the Credit Union's Board of Directors. The Dividend Rates and Annual Percentage Yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period.

**2. Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**3. Dividend Compounding and Crediting.** The compounding and crediting of dividends and dividend period applicable to each account are set forth in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

**4. Accrual of Dividends.** For Share, Christmas Club, IRA and Money Market Share accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account.

**5. Balance Information.** To open any account, you must deposit or already have on deposit at least the par value of one full share in any account. The par value amount is stated in the Fee Schedule. Some accounts may have additional minimum opening deposit requirements. The minimum balance

requirements applicable to each account are set forth in the Rate Schedule. For Money Market Share accounts, there is a minimum Daily Balance required to avoid a service fee for the calendar month. If the minimum daily balance is not met during the calendar month, there will be a service fee as stated in the Fee Schedule. For accounts using a Daily Balance method, dividends are calculated by applying a daily periodic rate to the principal in the account each day.

**6. Account Limitations.** For Share and Money Market Share accounts, no more than six (6) preauthorized, automatic, or telephone transfers may be made from each account to another account or to a third party in any month, and no more than three (3) of these six (6) transfers may be made by check, draft, or debit card to a third party. For Money Market Share accounts, the minimum in-branch withdrawal amount is \$100.00 and no more than 3 in-branch withdrawals may be made in any month. For Christmas Club accounts, at the member's request, one (1) withdrawal is permitted per quarter during the calendar year. However, if more than one (1) withdrawal is requested per quarter, the second withdrawal will result in the closing of the account. For Share, IRA and Credit Union Checking accounts, no account limitations apply. If you exceed these limitations, your account may be subject to any applicable fees as disclosed in the Fee Schedule.

**7. Fees for Overdrawing Accounts.** Fees may be imposed on each check, draft, item, ATM card withdrawal, debit card point of purchase, preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy for

information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Fee Schedule for current fee information.
